

Leveraging the Power of ReStructured Text Markup

Erik Dahl

PRINCIPAL ARCHITECT

@dahlsailrunner www.knowyourtoolset.com

Demo

Covering most common stuff

- <http://www.sphinx-doc.org/en/stable/contents.html>

Look at the TOC tree

- Few “hello” rst files already created

Utilize different page elements

- Ex: Code, Tables, Lists, etc

Utilize hyperlinks

- External, other pages, other sections

Summary

Created TOC tree in Index doc

Used ReStructured Text to create great content

Linked to any place we wanted
